

GÖTEBORG

VOELT ZICH THUIS IN IEDERE BOUWSTIJL

GÖTEBORG voelt zich thuis in elke bouwstijl en is geschikt voor zowel nieuwbouw als renovatie. Deze dubbelgewelfde dakpan dankt haar elegantie aan haar asymmetrisch profiel.

VOORDELEN

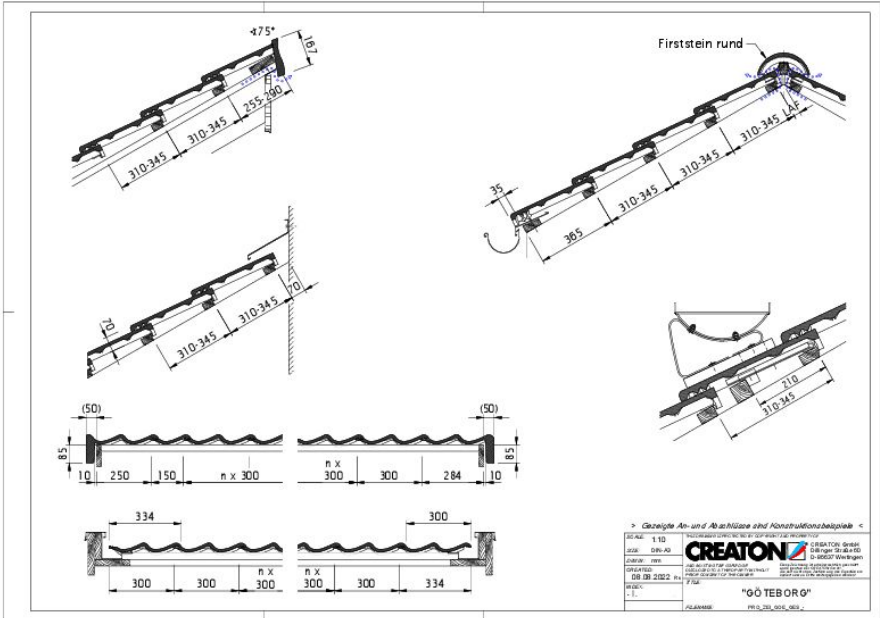

- Dubbel gewelfde asymmetrische betondakpan
- Combineert gemakkelijk met alle stijlen
- Hoog verschuifbereik en verwerkingsgemak
